

XTREME KLEEN

HIGH PERFORMANCE SURFACTANT BASED INK CLEANER / DEGREASER

Xtreme is an advanced aqueous cleaning solution. Xtreme delivers exceptional cleaning performance with uncompromised safety and material compatibility. Xtreme safely cleans ink and other organic soils in the printing operations. Xtreme has been engineered to be used in multiple on and off-press cleaning applications, including blanket and roller washing, maintenance and rebuilding, parts washing and industrial cleaning.

- ▶ Quickly removes solvent based ink, paper lint, grease, oils, and hydraulic fluid.
- ▶ Does not contain any soy, caustics, chlorinated solvents or phosphates.
- ▶ Safe to use on a wide variety of surfaces, will not corrode ferrous metals.
- ▶ Low VOC formulation.
- ▶ Concentrated for cost effectiveness.
- ▶ Can be used on and off press.
- ▶ Safe on blankets and rollers.

Application	Dilution <i>Water to Xtreme</i>
Blanket Washing	1:1 – 3:1
